

Attorney Karen A. Daley Presented a Regulatory Overview of Telemedicine for Health Care Professionals

August 1, 2016

Pullman & Comley's Karen A. Daley, an attorney in the firm's Health Care and Hospitals & Health Care Institutions practice areas, was the guest speaker for the FX Conferences audio presentation on telemedicine. Karen's presentation, "Regulatory Overview and Practical Considerations," covered types of telemedicine services, licensing considerations, credentialing regulations, standards of practice, and the regulatory considerations for prescribing medication over the Internet. The teleconference was attended by physicians, attorneys, and other health care providers on August 1, 2016.
