

Emerging Opportunities in the Comprehensive Energy Strategy

November 8, 2017

Pullman & Comley Attorney Lee D. Hoffman, chair of the firm's Regulatory, Energy and Telecommunications practice, will moderate a panel entitled "Emerging Opportunities in the Comprehensive Energy Strategy" at the Connecticut Green Bank's 2017 Contractor Conference & Networking Event.

What does the future of residential energy in Connecticut look like, and what does that mean for your business? The panel will discuss the direction for energy policy for next three years and its impact on the various contractor trades with a focus on new and emerging business opportunities. Representatives from DEEP, United Illuminating, Eversource, and the Connect Green Bank will discuss the most significant emerging trends and technologies for businesses to capitalize on.
