demio Webinar

Event Sponsor: School and State Finance Project

Michael Andreana, co-chair of Pullman & Comley's Government Finance practice, co-hosted a webinar alongside Katie Roy, Executive Director at School and State Finance Project, on how the COVID-19 crisis may impact Connecticut and its municipalities.

The webinar focused on the potential effects of the COVID-19 pandemic on Connecticut's economy and municipal finances, and covered:

- What's happened to the state and national economies;
- How Connecticut's state and local budgets are impacted;
- How the CARES Act affects cities and towns; and
- How Governor Lamont's recent executive orders impact municipalities.
