

## **PRESS RELEASE: Pullman & Comley Named One of Best Places To Work In Connecticut**

---

BRIDGEPORT, Conn.: The law firm of Pullman & Comley has been named as one of the Best Places to Work in Connecticut 2013, the law firm announced today.

“It’s a great honor to have been named one of the Best Places to Work in Connecticut for the fifth consecutive year,” said Pullman & Comley chairman D. Robert Morris. “Our culture of mutual respect and teamwork means that we celebrate our professional and personal accomplishments together, and this award is shared by everyone in our firm. It’s truly a pleasure coming to work every day.”

Thirty companies were honored at the Hartford Business Journal’s annual event which was held on March 20 at the Oakdale Theatre in Wallingford. Winners were determined through a statewide survey which was designed to identify, recognize and honor the best places of employment in Connecticut, benefiting the state’s economy, its workforce and businesses. This year, Pullman & Comley ranked number six in the small to medium-sized category, the highest ranked law firm among the companies listed.

Companies from across the state entered the two-part process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each nominated company’s workplace policies, practices and demographics. The second part of the process consisted of an employee survey to measure the employee experience. The combined score determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Connecticut and also analyzed the data to determine the final rankings.
