

PRESS RELEASE: Pullman & Comley Tops List of Best Places to Work in Connecticut

March 26, 2012

BRIDGEPORT, Conn.,: The law firm of Pullman & Comley has been named number one in the Best Places to Work in Connecticut 2012 small to medium-sized company category, the law firm announced today.

“We are very proud to have been named one of the Best Places to Work in Connecticut for the fourth consecutive year – and this year, to be ranked number one,” said Pullman & Comley chairman D. Robert Morris. “We have great people who create a very positive work environment, and our culture of mutual respect and teamwork is integral to the way we do business. The support our employees give each other in our work and personally is extraordinary. This honor is a testament to the enthusiasm and commitment of every single person in our firm.”

The awards program was created in 2006 and is a project of the Hartford Business Journal and Best Companies Group. The statewide survey was designed to identify, recognize and honor the best places of employment in Connecticut, benefiting the state’s economy, its workforce and businesses.

Companies from across the state entered the two-part process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each nominated company’s workplace policies, practices and demographics. The second part of the process consisted of an employee survey to measure the employee experience. The combined score determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Connecticut and also analyzed the data to determine the final rankings.

Pullman & Comley was recognized and honored at the Best Places to Work in Connecticut Awards Ceremony on March 21. To read the *Hartford Business Journal's* coverage on the event, please click [here](#).
