

Pullman & Comley Assists 4-CT in Achieving 501(c)(3) Status

July 7, 2020

The nonprofit 4-CT has been formally recognized by the U.S. Internal Revenue Service as a 501(c)(3) organization. Announced on April 1, 2020, 4-CT was formed by a group of Connecticut philanthropists as a charitable organization to aid people experiencing hardship as a result of the COVID-19 pandemic and the resulting business shutdown. Pullman & Comley is proud to have provided pro bono legal services in the formation of 4-CT and in helping the organization achieve its formal 501(c)(3) status.

Since its formation, 4-CT has made more than \$19 million in impact through its 4-CT Statewide COVID-19 Relief Fund. Working collaboratively with the State of Connecticut, community foundations, including the Hartford Foundation for Public Giving, United Way of Connecticut, philanthropists, the business community and the general public, 4-CT Corp is focused on bolstering the resources available to support the state's nonprofits on the frontlines serving individuals, families and communities hit hardest by the COVID-19 pandemic.

4-CT has been providing financial support to these organizations to ensure they can meet increased demand over the last few months and continues to expand the ranks of philanthropic partners supporting the nonprofits. To learn more about how you can help, visit 4-ct.org.
