Welcome to our Supreme and Appellate Court summaries webpage. On this page, I provide abbreviated summaries of decisions from the Connecticut Appellate Courts which highlight important issues and developments in Connecticut law, and provide practical practice pointers to litigants. I have been summarizing these court decisions internally for our firm for more than 10 years, and providing relevant highlights to my municipal and insurance practice clients for almost as long. It was suggested that a wider audience might appreciate brief summaries of recent rulings that condense often long and confusing decisions down to their basic elements. These summaries are limited to the civil litigation decisions. I may from time to time add commentary, and may even criticize a decision's reasoning. Such commentary is solely my own personal opinion. Pullman & Comley's Appellate Practice Group of which I am a member includes experienced appellate advocates in almost every area of the law. Should you have a need to consult about a potential appeal, please email me at emccreery@pullcom.com. I hope the reader finds these summaries helpful. – Edward P. McCreery
