

Connecticut Residents Over 65 Can Register for COVID-19 Vaccination Appointments Starting February 11, 2021

Connecticut Health Law

02.09.2021

By Stephen Cowherd

Connecticut residents over the age of 65 will be eligible to schedule COVID-19 vaccination appointments starting on Thursday, February 11, 2021, as the state rolls into the next part of phase 1b of its vaccination program. Vaccinations for individuals over the age of 75 and those within phase 1a will continue.

All eligible residents are required to make an appointment in advance of receiving the vaccine. To find available vaccination clinics throughout the state, residents can visit

ct.gov/covidvaccine and enter their zip code.

Appointments can be made utilizing the following tools:

- **VAMS online system:** VAMS is the Vaccine Administration Management System and can be used to schedule appointments at multiple clinics across the state. To make an appointment using this system, [click here](#).
- **Call Connecticut's COVID-19 Vaccine Appointment Assist Line:** Connecticut's COVID-19 vaccine appointment assist line is open from 8:00 a.m. to 8:00 p.m., seven days a week. To make an appointment, call **877-918-2224**.
- **Hartford HealthCare:** Hartford HealthCare has multiple locations throughout the state, including large clinics in the Hartford area. To make an appointment using this system, [click here](#).
- **Yale New Haven Health:** Yale New Haven Hospital has multiple locations throughout the state, including large clinics in the New Haven area. To make an appointment using this system, [click here](#).
- **Stamford Health:** Stamford Health is operating a clinic seven days per week at Stamford Hospital. To make an appointment using this system, [click here](#).
