

## **Lee D. Hoffman Serves as Panel Judge at National Brownfields 2019 Conference "Redevelopment Rodeo"**

---

December 11, 2019 | 2:15 p.m. - 4:30 p.m.

Los Angeles, California

Event Sponsor: 2019 National Brownfields Training Conference

Lee D. Hoffman, chair of Pullman & Comley's Environmental, Energy and Telecommunications Department, will serve as one of four panel judges at "Redevelopment Rodeo," at the 2019 National Brownfields Training Conference. This year's theme is "Attracting Private Investment to Your Rowdy Brownfields Beasts" and enables those who have municipally-owned property ready for redevelopment and looking for investment to raise the profile of the property and expose it to new marketplaces. The four panel judges will examine each project, point out hidden possibilities and pitfalls, and provide technical know-how to overcome roadblocks on the route to revitalization.
