

## **Attorney Steve Sedor Speaks At 2018 CABA Collective Bargaining Seminar**

---

June 12, 2018

No mandates have a greater impact on the operation of public schools than those found in collective bargaining agreements. This fast-paced and interactive seminar took a comprehensive look at the 2017-2018 contract settlement data and how it would impact 2018-2019 bargaining as well as discussed negotiation strategies and suggestions for policy and contract language to minimize the excessive use of sick leave.

Steve Sedor of Pullman & Comley's School Law Practice presented along with CABA staff, superintendents, school business officials and board members to provide districts with invaluable information and support for successfully settling contracts within significant budget constraints.

### **Tuesday, June 12 2018**
