

## **SEMINAR: CT Brownfields: Taking it to the Next Level**

---

June 25, 2015

Pullman & Comley Attorney Gary B. O'Connor, who chairs the firm's Real Estate and Land Use Department, participated in a panel discussion on "How the PREPARED Webpage Can Facilitate Municipal Interactions and Communications with Environmental Consultants, Legal Counsel, COGs/RPCs, and Regulators." The panel was part of a session to explain new tools and program updates for managing brownfields sites in Connecticut sponsored by the Connecticut Department of Energy and Environmental Protection, the Department of Economic and Community Development, and the U.S. Environmental Protection Agency.

Gary currently serves as co-chair of Connecticut's Brownfields Working Group, and has been one of the leaders in Connecticut in revising state environmental laws. He is presently working with the Governor's Office and leadership of the General Assembly to create a comprehensive brownfields initiative in the state.
