

SEMINAR: Technology in the Workplace

April 29, 2010

Pullman & Comley Labor and Employment attorney Daniel Schwartz spoke at this ABA meeting about storing information on a "cloud" (removing data and applications from a central server or desktop to an Internet space) and the privacy, discovery, IP and ethical concerns in the workplace that this causes.

Thursday, April 29, 2010

11:00 a.m. - 12:30 p.m.

NYU School of Law

New York, NY
