

SEMINAR: Unlocking Real Estate Value in Today's Marketplace

October 24, 2012

Pullman & Comley's Real Estate, Property Valuation, Environmental and Energy attorneys presented an afternoon seminar that provided practical perspectives on realizing your property's potential and capitalizing on the opportunities available in the current economic and regulatory environments. Topics included:

- Creating Value Through Creative Common Interest Ownership Structures
- Realizing the Potential of Environmentally Challenged Properties - Understanding, Quantifying and Managing Risk
- Maximizing the Value in Property by Taking Advantage fo Energy-Related Opportunities
- Enhancing Value by Managing the Property Tax Expense
