

WEBINAR: What You Should Know About the Proposed Energy Auction Program

December 19, 2011

The Connecticut electric utilities recently applied to the Connecticut Public Utilities Regulatory Authority (PURA) for approval of their proposed renewable energy auction program for zero and low emission renewable energy credits. This webinar provided a review of the utility filing, next steps expected at the PURA and how you can influence the rules.

Monday, December 19, 2011
12:00 p.m. - 1:00 p.m. EST
