*Connections Magazine: Official Magazine of American Health Lawyers Association*

Attorney Elliott Pollack, member of Pullman & Comley's Health Care Department and Property Tax and Valuation Department, was among ten thought leaders featured in the American Health Lawyers Association *Connections Magazine* January cover story, "Top 10 Health Law Issues 2017."

Elliott's piece was issue number ten: "Property Tax Exemptions for Nonprofits." As some local governments question the tax-exempt status of large entities with significant annual revenue, Elliott writes, "Health care providers in 2016 continued to question the viability of the not-for-profit hospital tax exemption."
