

## **IN THE NEWS: Pullman & Comley Attorney Comments on What Connecticut Can Learn from Gulf Oil Spill**

---

July 5, 2010

*Connecticut Law Tribune*

Pullman & Comley Environmental Attorney Lee D. Hoffman was quoted in "Gulf Lessons: Oil Spill a Teaching Point for State's Environmental Lawyers," an article about the impact of the Gulf of Mexico oil spill, both in terms of its potential effects on the Connecticut coastline and in planning for future environmental disasters.

According to Lee, the state "will take an even stronger stance to protect marine resources because you only get one shot and you could ruin it forever."
