March 29, 2010

Pullman & Comley was featured in the *Hartford Business Journal* as one of the Best Places to Work in Connecticut 2010.

The awards program was created in 2006 and is a project of the *Hartford Business Journal* and Best Companies Group. The statewide survey was designed to identify, recognize and honor the best places of employment in Connecticut, benefiting the state's economy, its workforce and businesses.

Companies from across the state entered the two-part process to determine the Best Places to Work in Connecticut. The first part consisted of evaluating each nominated company's workplace policies, practices and demographics. This part of the process was worth approximately 25 percent of the total evaluation. The second part of the process consisted of an employee survey to measure the employee experience. This part of the process was worth approximately 75 percent of the total evaluation. The combined score determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process in Connecticut and also analyzed the data to determine the final rankings.

Pullman & Comley was recognized and honored at the Best Places to Work in Connecticut Awards Ceremony on March 25.
