

IN THE NEWS: Steven Bonafonte Discusses Cybersecurity In Smaller Businesses

September 18, 2014

Fairfield County Business Journal

Pullman & Comley Cybersecurity, Privacy and Infrastructure Protection attorney Steven Bonafonte was quoted in an article titled, "Small Businesses Present Profitable Frontier For Hackers." The article reports on cybersecurity attacks regarding smaller companies and the ways these companies can control liability costs and prevent damage to their reputations.

According to Bonafonte, "Companies have to work harder to manage their own risks" and to show that they "have been responsible and invested in prevention."
