

IN THE NEWS: Steven Bonafonte Discusses Social Media Concerns For Businesses

May 6, 2013

Connecticut Law Tribune

Pullman & Comley Social Media, Privacy and Internet law attorney Steven Bonafonte was quoted in "Firms Help Clients Deal With Twitter, Facebook Concerns," an article about the need by businesses for social media law practices.

According to Steve, " If you consider what happened with Twitter on a smaller scale, where a middle market employer or company is allowing employees to use social media and someone sends a message that creates a brand management challenge or a false impression, how can we mitigate that? These things happen very fast, so you have to have a team assembled in advance."
