## IRS Announces Cost of Living Adjustment (COLA) Limits for 2018 Applicable to Retirement Plans

### December 2017

The Internal Revenue Service and the Social Security Administration have announced the cost of living adjustments (COLA) applicable to dollar limitations for retirement plans and the Social Security wage base for 2018. Many of the limits that currently apply to the 2017 plan year will change for the 2018 plan year.

Employers should make sure that the individuals in charge of their payroll systems are aware of these limits. Also, employee communications and forms should be reviewed and updated as necessary to reflect these 2018 dollar limits.
